
Appoint and Confirm a Pro-Life Justice
National Grassroots Campaign

Dear Ed,

Enclosed is my signed petition urging President Trump to appoint and then fight to confirm a pro-life conservative Supreme Court Justice. I understand our President will be under extreme pressure to appoint another "moderate" to the high court. I understand that even the great Ronald Reagan couldn't stand up to such pressure and was forced to appoint Anthony Kennedy instead of Robert Bork. That's why, to help you in this battle I've enclosed is my most generous donation of:

Keep Your Promise to Appoint Pro-Life Justices petition to President Donald Trump.

President Trump:

On September 10, 2016 at Phyllis Schlafly's funeral you signed Phyllis' copy of the pro-life 2016 GOP platform and pledged to adhere to it.

To date you have kept your word. Thank you!

However, in the coming days and weeks you will be attacked and vilified by the liberals like never before.

Control over the U.S. Supreme Court hangs in the balance. Please continue to hold firm. Appoint and get confirmed a conservative pro-life justice.

I'm with you Mr. President. Do the right thing. Keep your promise. Don't give in!
